Fields used for trail trials, trailer parking, horse prep and tie down, are also off-limit to dogs. Information about dog walk areas will be sent to exhibitors prior to the trial and detailed during general briefing. The venue hours are dawn to dusk, exception given to registered overnight guests/campers/RV. **Barn Hunt grounds for this venue** are delineated by the areas shown below: dog potty/walk areas shown in yellow, parking including additional parking and RV parking/dry camp areas shown in green. Red borders to the North (top) and West (left) of the image combined with the property perimeter fence to the East (right) and South (bottom) of the image encompass the full dog-allowed areas.

ENTRIES Entry method is mail-in entry received and confirmed via email by Trial Secretary. Online entry is not available. Entries may be sent via email, but do not constitute a valid entry and are not considered complete/valid until payment is received. Dogs may enter both the Instinct Test and Novice class in the same trial until the dog has earned the RATN title and then they cannot enter the Instinct Test. All entries must be complete, accompanied by entry fees, and agreement signature to be valid. A returned check does not constitute a valid entry. There will be a \$25 fee for all returned checks. All information pertaining to the trial will be sent via email. If entry is received without a valid email, correspondence cannot be sent. It is the entrant/exhibitors responsibility to ensure entry is sent completed and to contact club for entry questions.

ENTRY CANCELLATION POLICY Cancellation of entries made in writing to the trial secretary at least 10 days prior to the trial may be given a full refund. Entries cancelled prior to 5 days before the trial may be used as credit for a future trial and must be received in writing by the trial secretary. Entries cancelled without prior notification are considered absent on the day of the trial will be marked as absent and are not subject to refund nor credit.

TRIAL CANCELLATION POLICY In the event the trial committee determines that due to weather or other emergency the trial should be cancelled, exhibitors will be offered choice of refund or credit at club's discretion.

RUN ORDER The blind assignment will be posted outside the rings each day prior to the trial/class. The run order is subject to change based on changes of entries/dogs, move up/lateral moves. Judges' dogs may be run prior to the start of the class, or at the end of the class. This, too, is subject to change at the discretion of the judge/trial secretary.

We do offer vouchers in exchange for your volunteer services which may be redeemed for future entries. For workers who pledge to build for a trial day, we do offer compensated entries with notice given prior to the trial date. Thank you in advance!

BITCHES IN SEASON POLICY Bitches in season (BIS) MAY compete in barn hunt trials. They will run at the end of each class and be staged separate from other dogs. They must wear pants or britches at all times (including while on course) when not being walked in potty area. Owners of BIS must crate/confine their dogs away from traffic and other dogs and should post "dog in season" signs on their crate/in their area, and potty the dog away from other competitors. Owners of BIS must make their condition known to the trial secretary prior to arrival if possible or upon arrival if prior notice is not possible. They should also make conditions known at trial briefing. Failure to notify the club and competitors of a BIS will result in disqualification and dismissal from show grounds.

AGGRESSION Any dog behaving in a threatening or aggressive manner toward another dog or person may be dismissed from the fun test or trial if justification is found to do so by the judge or trial committee. Any dog approaching the ring crew in a threatening manner inside the ring may be dismissed at the judge's discretion. All dogs are expected to be able to work within the closed area with ring crew in proximity. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by decision of the Trial Committee.

COLLARS AND LEASHES Electronic collars and devices are not allowed on trial grounds. Head halters are not allowed on trial grounds. At no time should dogs be tied up or otherwise left attached to something other than a human. Dogs may not be brought to the line in any disallowed collar. Approved collars include flat snap or buckle collars of solid construction and leather or nylon leads. Limited slip martingale collars are allowed. Single piece slip collars/leads are allowed. Harnesses, except for head-halter types, are allowed. Dogs MUST run "naked," without a collar/harness. Dogs should be brought to the ring with collars/harnesses that can be quickly removed and replaced.

ELIMINATION ON COURSE Elimination on the course will result in an NQ (non-qualifying) score for the dog, and the dog must be immediately removed from the course and is not allowed to continue. Elimination includes urination, defecation, and/or spitting up/throwing up. Belly bands are not allowed. If a Bitch in Season squats in the ring with the clear motion of peeing, she will be NQ'd and is to be removed even with pants on.

CLEAN UP AFTER YOUR DOG Please be considerate about picking up after your dogs and leaving the grounds as you found them. Any exhibitor failing to do so will be excused without benefit of refund and at the discretion of the Trial Committee.

LOUD/DISRUPTIVE DOGS Dogs who are loud and disruptive may be asked to locate away from the rings/crating area and/or staged away from the other dogs getting ready to compete. If you have a vocal dog, it is best to bring this up during the briefing. Assumption of Risk; Owners or handlers participating in a trial do so at their own risk and agree to assume responsibility for damage caused by themselves, or by their dogs and hold the trial club and Barn Hunt Association harmless for any injury sustained by their dog or by a person during the trial. By entering a trial, owners attest that they have read, understand, and will abide by, all Barn Hunt Rules. Reactive dog parking is available although not specifically designated. Exhibitors are advised to seek their own parking with proximity to others of their discretion within

Barn Hunt Grounds limitations and respect to Verde View Farm rules. This trial will not utilize a separate blind for disruptive dogs. The blind utilized will be 10 feet by 20 feet and will use full blind assignments as much as possible. For questions/concerns about your dogs' blind assignments, please speak to Trial Secretary/Trial Committee members prior to your class blind being called. Reasonable requests for accommodation will be considered/honored.
